

**BHARAT-TECH
XPERIENCE**

**India's Largest National Level
Hackathon**

03-04

Apr-2026

I. PHASE 1: THE VOID (Online Qualifier)

Timeline: 13th March – 27th March 2026

- **The Transmission:** Teams must upload their Project PPT (The Blueprint) to the central uplink.
- **The Filter:** Only the most resilient "Psychics" will be shortlisted.
- **Selection:** Shortlisted teams will be notified via encrypted comms (Email) to move to Phase 2.

II. PHASE 2: THE GATEWAY (Offline Finale)

Timeline: 3rd April – 4th April 2026

Venue: On-Ground Headquarters

1. The Mind-Flayer Mentoring (Round 1)

- **Objective:** Technical validation. Mentors will scan your code for vulnerabilities and logic gaps.
- **Focus:** Core tech stack (MERN/Java) and initial architecture.

2. The Eleven's Insight (Round 2)

- **Objective:** Refinement and Scaling. Deep-dive into user impact and Agentic AI integration.
- **Focus:** UI/UX, scalability, and "The Wow Factor."

3. The Final Scan (Evaluation)

- **Process:** Internal jury evaluation of all working MVPs.
- **The Threshold:** Only the Top 15 Squads will survive the scan to enter the final stage.

4. The Grand Showdown (The Final Pitch)

- **The Stage:** The Top 15 teams will present their solution in front of the Council of Sages (Jury Panel).
- **Format:** 3-minute pitch + 2-minute interrogation.

III. GENERAL REGULATIONS (The Rules)

1. **Squad Size:** Each squad must consist of 2–4 Operatives.
2. **Originality:** No "Shadow Monster" code. Using pre-built templates without disclosure will lead to immediate banishment to the Upside Down.
3. **Hardware:** Operatives must carry their own gear (Laptops, Chargers, Extension Boards). The Lab only provides power and high-speed data.
4. **Stay on Site:** Once the Gateway opens on April 3rd, no operative is allowed to leave the perimeter until the mission ends.
5. **Conduct:** Respect your fellow hackers. Any form of harassment or system malpractice results in an instant "Code Red" disqualification.

IV. THE SURVIVAL KIT (Checklist)

- Valid Identification (College/Govt ID).
- Comfortable clothing (it gets intense in The Lab).
- Your technical dossiers and pre-qualifier assets.
- Unstoppable ambition.
